

**REMARKS**

The Office action mailed January 30, 2007 allowed claims 22, 24, 25, and 27-33 and rejected claims 53-57. This reply cancels the rejected claims, adds dependent claims 59-63, and amends claims 22, 24, 25, and 27-33. The amendments clarify a potential ambiguity in the allowed claims. Additionally, the new claims are patentable at least because they depend from an allowed base claim.

In view of this reply, the applicant believes the pending application is in condition for allowance. If there are any formal matters remaining, the applicant respectfully requests the examiner to telephone the undersigned. If there are any additional fees associated with the filing of this reply, including fees required under 35 C.F.R. §§ 1.16 or 1.17, please charge them to deposit account no. 04-1073.
